THINGS TO KNOW

- Name all clothes & uniform
- Toileting, please ensure your child is able to go to the toilet and is confident in asking for help if they need it.
- Attendance is very important and each day counts! If your child is ill you must ring the office to let them know.
- Workshops are held to support you with your child's learning at home.

ROUTINE

- Parents to come in to Nursery when dropping children off and support them with hanging their clothes on their peg and joining their key groups.
- We play in and outdoors everyday so please ensure your child has appropriate clothing.
- Free flow snack is available everyday & we ask for £1 donation of snack money to be able to bake and try different foods that link to the topic in Nursery.
- Collecting at home time, please stand against the wall away from the door so that children can be brought out safely to their parents/carers. We will see you through the door so you don't have to worry about telling anyone you've arrived.

PARENT LINKS

- You will be given passwords to some apps that we expect you to use in order to support your child with their learning.
- Early Essence – shows what your child is learning at school and you can upload pictures to show us anything you want to share from home.
